CORRECTION

In the article entitled, “Ferroptosis Affects the Progression of Nonalcoholic Steatohepatitis via the Modulation of Lipid Peroxidation—Mediated Cell Death in Mice” (Volume 190, pages 68–81 of the January 2020 issue of *The American Journal of Pathology*; <https://doi.org/10.1016/j.ajpath.2019.09.011>), the authors have requested a correction to the listed grant funding. The published grant number, 2017R1D1A3B03030521, is incorrect, and should be replaced with 2017R1A6A3A11032024. The corrected funding statement should read:

Supported by Basic Science Research Program through the National Research Foundation (NRF) funded by the Ministry of Education, Republic of Korea, grants 2017R1A6A3A11032024 and 2019R1A6A1A03033084; and China Scholarship Council (CSC), China, grant 201708260022.
