CORRECTION

In the article entitled, “p53-Regulated Long Noncoding RNA PRECSIT Promotes Progression of Cutaneous Squamous Cell Carcinoma via STAT3 Signaling” (Volume 190, pages 503–517 of the February 2020 issue of *The American Journal of Pathology*; <https://doi.org/10.1016/j.ajpath.2019.10.019>), there is an error in the labeling of Figure 2. The second frame of panel A was incorrectly labeled as Actinic keratosis and should have been labeled as Seborrheic keratosis. The legend

for this figure is correct as published and an updated version of the image is presented below. This error was brought to our attention by a reader and has been confirmed by the authors who provided the updated image. This image was also used on the cover of the February issue, and has been updated in the online version of the cover and table of contents.
