In the article entitled, “Myogenic Cell Expression of Intercellular Adhesion Molecule-1 Contributes to Muscle Regeneration after Injury” (Volume 190, pages 2039–2055 of the October 2020 issue of *The American Journal of Pathology*; <https://doi.org/10.1016/j.ajpath.2020.06.009>), the authors have noticed an error in the funding statement of the published article. The funding

from the Heart, Lung, and Blood Institute of the NIH grant (R.G.W.) should be removed and the funding statement should only read as:

Supported by a National Institute of Arthritis and Musculoskeletal and Skin Diseases of the NIH grant (F.X.P.); and an American College of Sports Medicine grant (R.A.M.).

In the article entitled, “Genetic Deletion of Galectin-3 Alters the Temporal Evolution of Macrophage Infiltration and Healing Affecting the Cardiac Remodeling and Function after Myocardial Infarction in Mice” (Volume 190, pages 1789–1800 of the September 2020 issue of *The American Journal of Pathology*; <https://doi.org/10.1016/j.ajpath.2020.05.010>), the authors have noticed an error in the title page footnotes as currently published.

A statement of equal contribution that was present on the submitted manuscript was inadvertently deleted during the proof process and needs to be restored. This was a clerical error on the side of the production office. The missing statement that is being restored is:

P.C. and F.P. contributed equally to this manuscript.
