

Call for Papers:

*The American Journal of Pathology* is seeking manuscripts related to SARS-CoV-2.

*The American Journal of Pathology* calls for manuscripts that address mechanisms of SARS-CoV-2 pathogenesis or provide a foundation for future mechanistic inquiries.

Accepted manuscripts on this subject will be expedited through the publication process as much as possible and will be free in [Elsevier's Novel Coronavirus Information Center](#). Please refer to the guide for authors for information on submission and submit any questions to [ajp@asip.org](mailto:ajp@asip.org).

We welcome you to submit your [manuscript](#)!
